[John Patrick Blackjack For The 21st Century](#)
John Patrick - the Well-known Gambler and Author. John Partick's main role in the gambling world is not an author of course though he had written about 15 books on various casino topics: he is the most famous professional gambler today thanks to his appearance on TV where he has had his own show for 10 years already.

[John Patrick—the Well-known Gambler and Author](#)
John Patrick's information on blackjack, as always, is almost completely wrong. While he tries to be contrarian and innovative, the only things close to worthwhile in ANY of his books are the money management sections, but those WILL NOT help you gain an edge on the casino.

[Blackjack For The 21st Century- Patrick, John](#)
John Patrick Another in the long line of failed gamblers turned gambling writers, John Patrick began his career on the riverboat casinos of the old South. After trying, and failing, to earn a living at the tables, Patrick resorted to washing dishes by day, while serving as a " prop " player to keep short games going by night.

[Gambling Writers Whose Books You Should Avoid Reading](#)
John Patrick writes from his experience and seeing and playing millions of hands of blackjack, not sitting behind a computer. His Big 4 approach is right on and can be applied to anything you gamble on. This book is fun to read, simple, and easy to apply.

[Slot Machines for Dorks](#)
John Patrick's Blackjack by John Patrick I can't recommend this book because the basic strategy is incorrect. Where Patrick differs with the conventional basic strategy is to avoid doubling and splitting against strong dealer cards. Following his strategy will result in losing more over the long run, but also less short term bankroll volatility.
