Plastic Surgery Exam Questions and Answers: A Guide to the ...

You aren't expected to have FRCs knowledge at this stage but you should have a good understanding of the diagnosis and management of common plastic surgery conditions. They will often start with simpler questions such as asking you to describe a clinical image, followed by questions on what you'd ask during the history, what you'd look for on examination and what investigations you would order.

The 2020 In-Service Examination provides the most current information on the core curriculum of plastic surgery. The exam offers surgeons in practice the opportunity to challenge themselves and assess their knowledge of the entire scope of plastic surgery. Relevant questions in basic science will be included in each of the five categories. Surgeons have the flexibility to take two, three, four or five modules of this exam, with each section scored independently.
