A digital takeoff is a takeoff completed in a construction cost estimating software platform that offers takeoff capability. Not all construction cost estimating software can help the contractor perform a digital takeoff. A digital takeoff automates many of the more complicated aspects of the construction takeoff process.

### What Is A Construction Takeoff? | ProEst

Takeoff's solo work bounces with a flow that cascades like a waterfall, while ad-libbed "skrts" keep the mood light. He's a low-key superstar, gliding to the top of the charts and the VIP section of the club, more interested in synthesizing these stories in his music than showcasing them on the 'gram.
