Listening - the quality of people's attention for each other - is the core of this method. In Time to Think Nancy Kline asserts that as change proliferates in our lives and our organisations, we must prize each other's minds above all else. We must learn how to help people think for themselves.

Time to Think: Listening to Ignite the Human Mind by Nancy ...

Time to Think is a book that changes behaviour. It has a simple, but powerful message, which is that the quality of our thinking depends upon the quality of another person's attention when listening to us. Why is this important? Because thinking precedes action, so clearer thinking leads to improved action.
