U n Me it's complicated, is an out and out romantic love story. Aditya falls in love with Rutuja, a beautiful girl in his college. Their chemistry is fresh and vibrant. The shayris, dialogues, letters make the narrative all the more interesting. The love letters are written wonderfully and I definitely found them cute and quite relatable. Although the story feels linear in the middle part of ...

"Complicated" is Avril's debut single from her debut album. The song was released on May 14, 2002. The singer described the song as a reaction to the artificial nature of modern society: "People sometimes bother me how they're not real and how they're just, like, putting on a face and being two-faced." The song performed well in the charts.
